ABOUT US

The Kumeu Agricultural and Horticultural Society (KAHS) was formed in 1921 with a purpose to improve the Kumeu districts horticultural growing and animal breeding activities by having an annual show held on land loaned for the event on the main highway in Kumeu. About 1953 the Society purchased a 17 hectare farm near Kumeu railway station, followed some years later by a neighbouring 17 hectares to form a working farm that in March each year hosts the 2 day Kumeu Show with its agricultural and horticultural displays on park like grounds only 28km from Auckland CBD.

Largely run by volunteers the show grounds host many other activities during the year such as Folk Festivals, Filming Activities, Fireworks displays, Performing dogs and Hot Rod type shows with any surplus funds being reinvested in ground and building improvements.

We try and cater for the changing needs of generations, but still try and keep our show as authentic as possible - being an A & P Show.

We would very much appreciate your Sponsorships to enable us to run our events.

Thank you for your support in advance
